Tell us about yourself
This information will be used to personalize your onboarding experience.

Which industry do you work in?
N/A (I am a student)

What is your role on the team building the assistant?
Other

Enter your role here
student

Which statement describes your needs best?
I'm using Watson Assistant to complete a course or certificatic

The Speed Demons are in stock at our Downtown and Northgate locations, which are both within five miles of you.

What size and color do you need?

I'm looking for a size nine in white

Great news! The Speed Demons are available in white in a size 9.

You can purchase them for curbside pick up or we can ship them to you. Which would you prefer?

I'll pick them up! Ship them to me, please!

Hi! I'm a virtual assistant. How can I help you today?

Example: Find nearby location
Example: Check account balance
Example: See how I can help

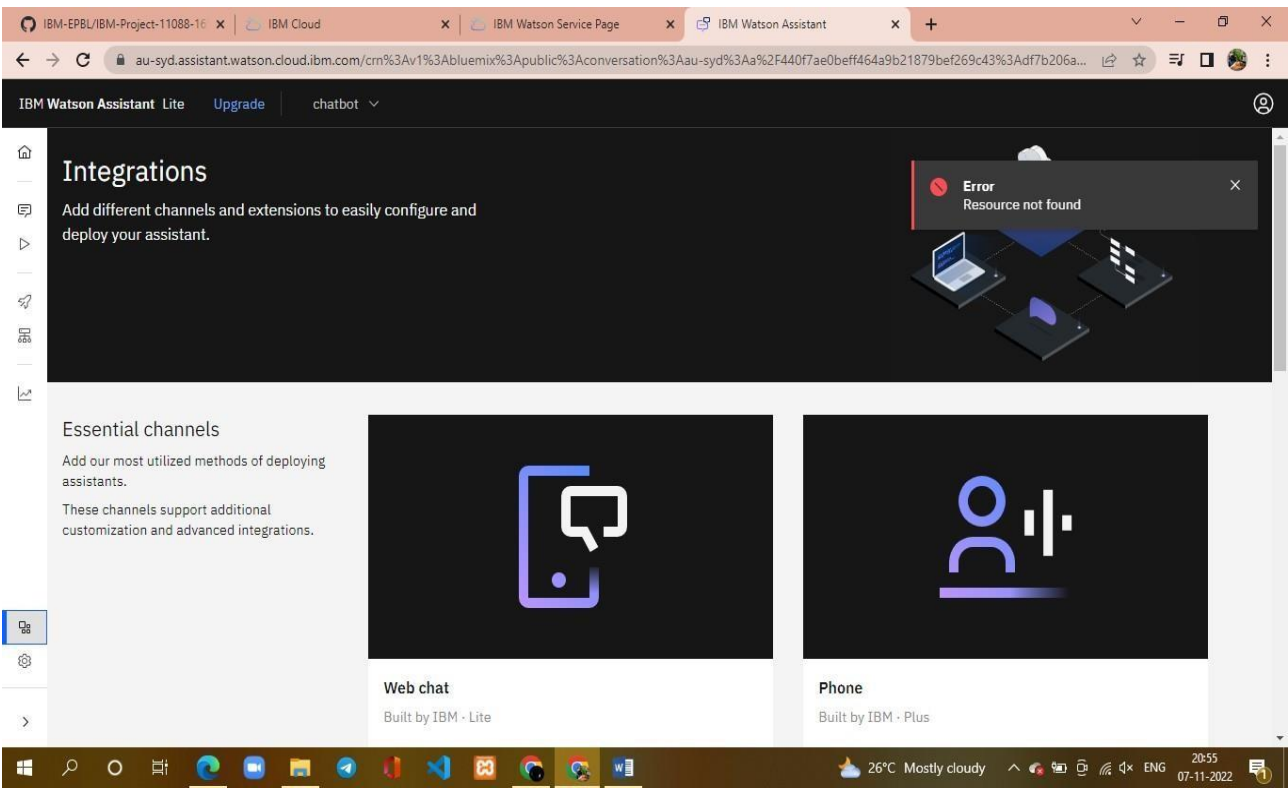

Type something...

Built with IBM Watson®

STEP 5:

STEP 6:

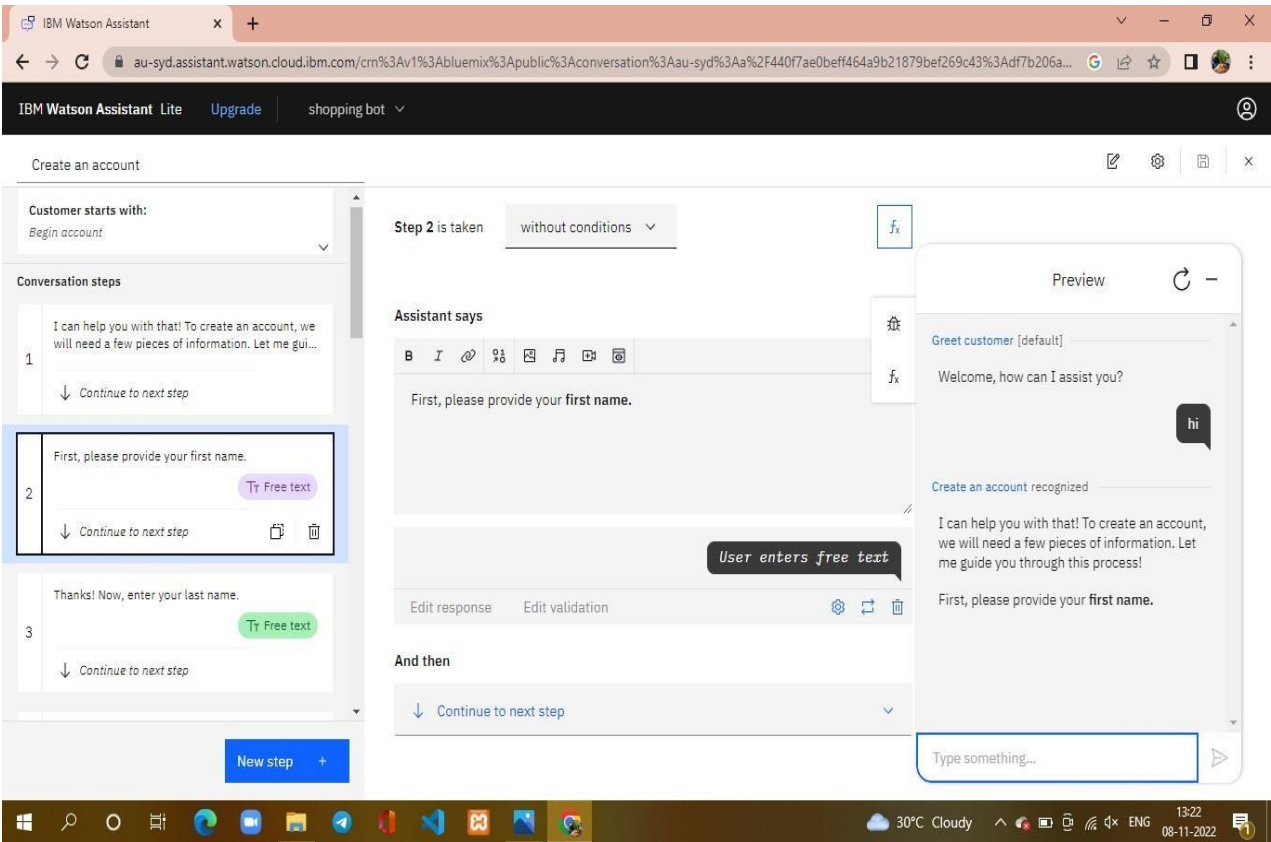

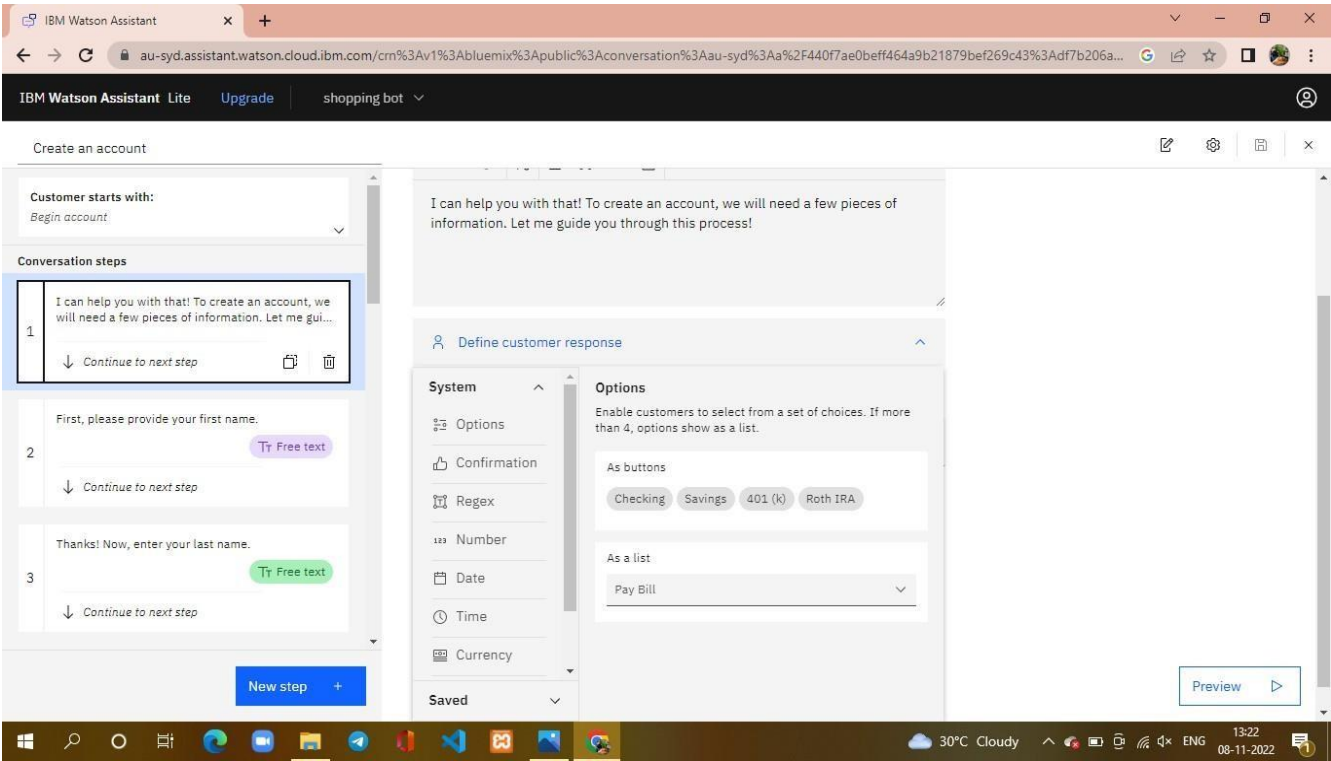

STEP 7:

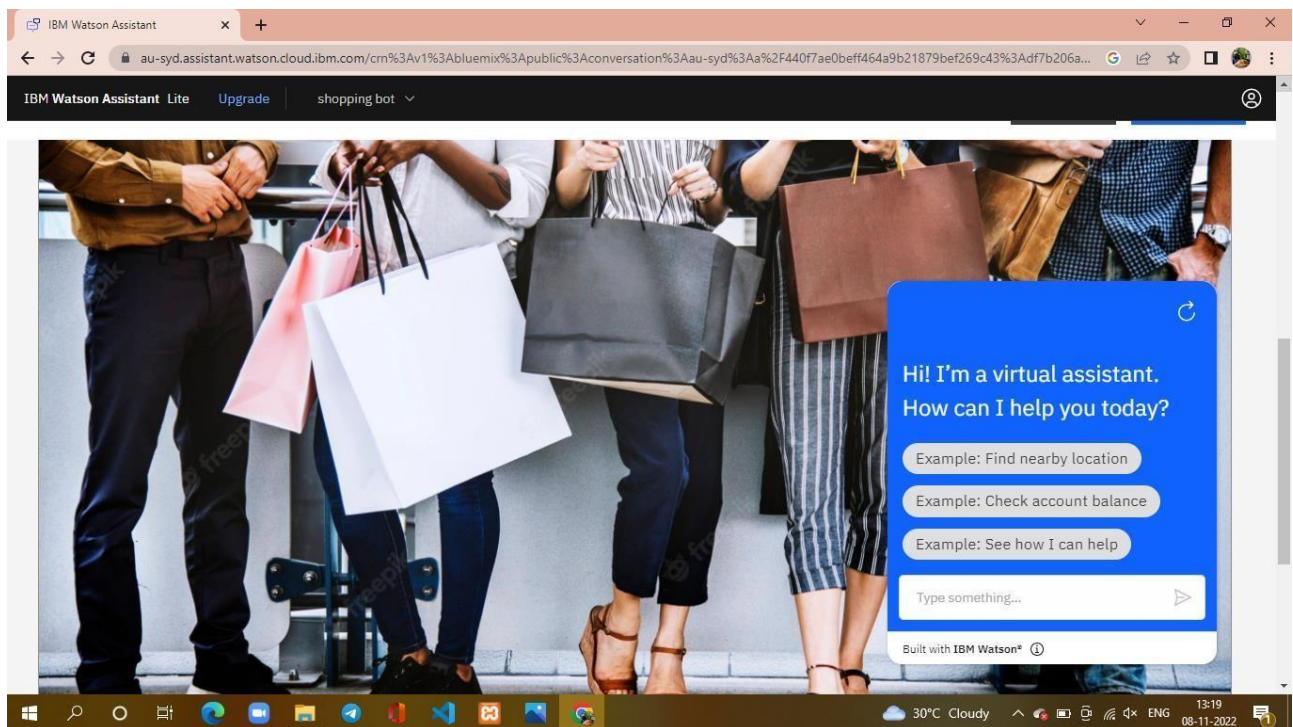

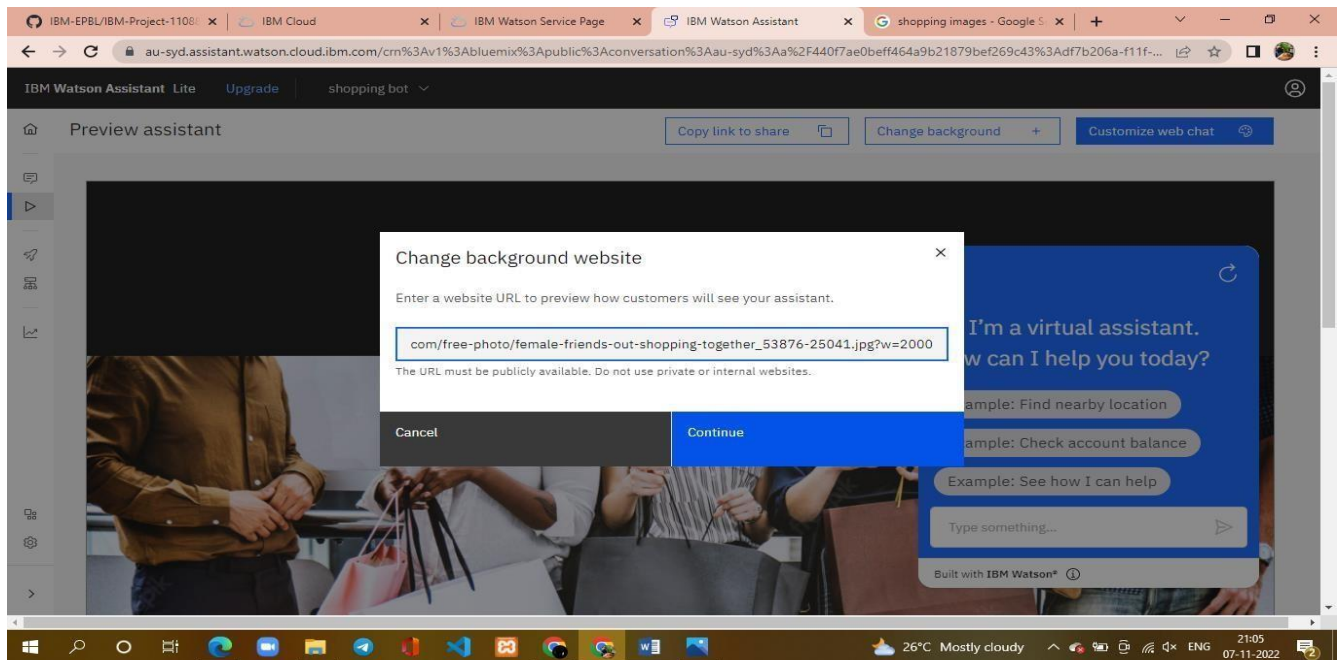

The screenshot shows the 'Assistant settings' page in the IBM Watson Assistant interface. The browser tabs include 'IBM-EPBL/IBM-Project-11088-16', 'IBM Cloud', 'IBM Watson Service Page', and 'IBM Watson Assistant'. The URL is 'au-syd.assistant.watson.cloud.ibm.com/cm%3Av1%3Abluemix%3Apublic%3Aconversation%3Aau-syd%3Aa%2F440f7ae0beff464a9b21879bef269c43%3Adf7b206a...'. The page has a dark header with 'IBM Watson Assistant Lite', 'Upgrade', and a 'chatbot' dropdown. On the left is a sidebar with icons for home, settings, and other functions. The main content area is titled 'Assistant settings' and includes a text input field at the top. Below it, the 'Assistant language' is set to 'English (US)', with 'Cancel' and 'Saved' buttons. The 'Dialog' section explains that it offers full-feature editors for training data and conversation logic, with an 'Activate dialog' button. The 'Delete this assistant' section states that the action is irreversible and includes a 'Delete assistant' button. The Windows taskbar at the bottom shows the date as 07-11-2022 and the time as 20:56.

The screenshot shows the 'shopping bot' interface in the IBM Watson Assistant 'Your system is being trained...' state. The browser tabs are the same as in the previous screenshot. The URL is identical. The page has a dark header with 'IBM Watson Assistant Lite', 'Upgrade', and a 'shopping bot' dropdown. A blue banner at the top says 'Your system is being trained...' with a 'Hide' button. The main content area is divided into two panels. The left panel, titled 'Customer starts with:', shows a 'Begin account' dropdown and a 'Conversation steps' list with three steps: 1. 'I can help you with that! To create an account, we will need a few pieces of information. Let me gui...', 2. 'First, please provide your first name.', and 3. 'Thanks! Now, enter your last name.' Each step has a 'Continue to next step' button. The right panel, also titled 'Customer starts with:', provides instructions on entering phrases to start the conversation. It includes a 'Total: 19' count and a list of example phrases: 'Where do I register for this?', 'Where do I find guidance on signing up?', and 'Where does a first time visitor sign up?'. There are 'Enter a phrase' input fields and a 'Preview' button at the bottom right. The Windows taskbar at the bottom shows the date as 08-11-2022 and the time as 13:20.

STEP 8:

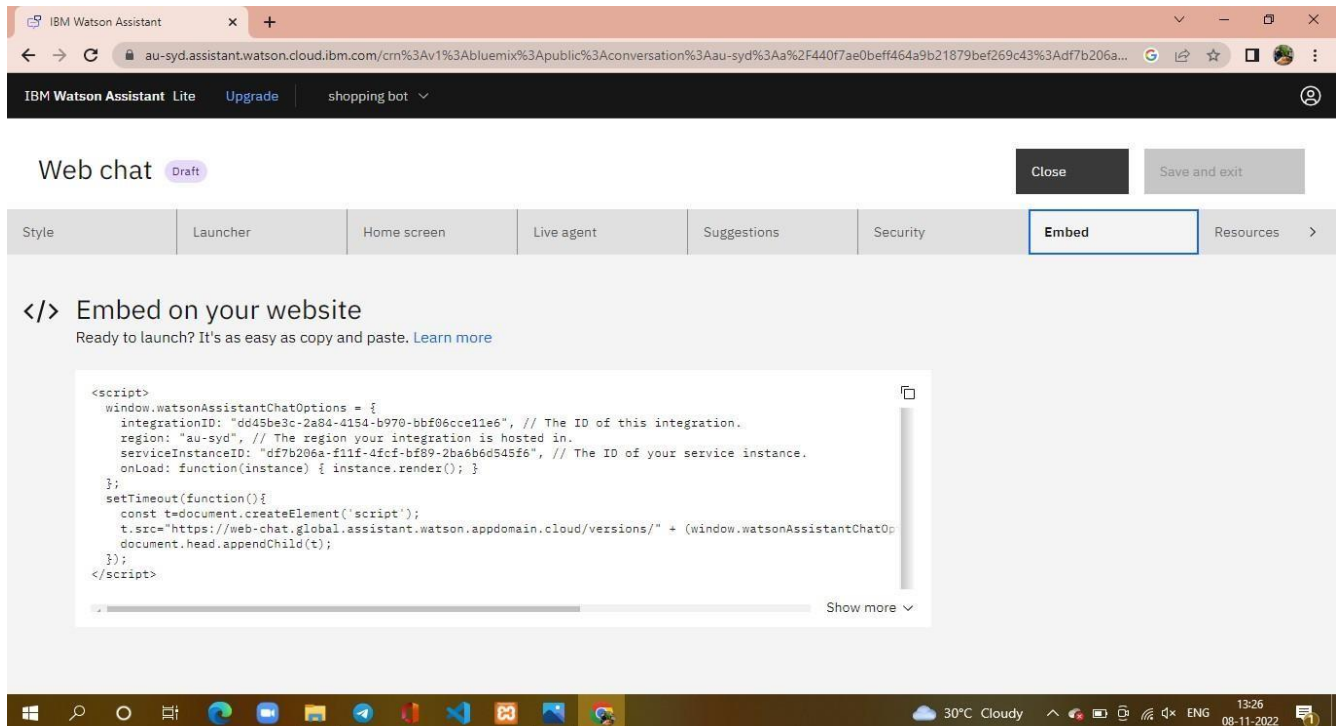

STEP 9:

Step 10:

Chatbot was developed and integrated Successfully.
